Directors' report
for the year ended 31 August 2020

The directors (who are also trustees of the charity for the purposes of the Charities Act) present their annual report together with the audited financial statements and Auditors' report of Attwood Academies (the Academy Trust) for the period ended 31 August 2020. The annual report serves the purposes of both a trustees' report and a directors' report under company law.

The Academy Trust operates one secondary school in the South East of England.

Bexhill Academy is an academy for pupils aged 11 16 serving the catchment area of Bexhill on Sea and the surrounding parishes. It has a pupil capacity of 1650 and a roll of 1243 in the October 2018 school census. The Academy Trust was appointed as the new sponsors of Bexhill Academy on 1 December 2014.

Structure, governance and management

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's Memorandum and Articles of Association are its primary governing documents. The trustees of the Attwood Academies Trust are also the directors for the purposes of company law. The terms trustee, director and governor are interchangeable. The Charitable Company is known as Attwood Academies.

Details of the directors who served throughout the year are included in the Reference and Administrative details section on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Directors' and officers' indemnities

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the directors and officers indemnity element from the overall cost of the RPA scheme.

Appointment of Board Members

The Members/Directors/Trustees/Governors are referred to as 'directors' and together form the 'Board'. There are different classes of board members as described below. All board members are appointed for four years:

Members: are appointed by the Members of the Academy Trust who established the Academy Trust Company, including themselves.

Trustees: Trustees are appointed by the members

Co opted Trustees: Co opted Trustees are appointed by the Board.

The Principal (Bexhill Academy): The articles of Association include this post ex officio by virtue of office held.

Policies and procedures adopted for the induction and training of directors

New directors attend a training program. The induction program includes a tour of the school, meetings with students and staff and provision of policy and procedures documents that are appropriate to the role they undertake as directors with particular emphasis on the committee work that they will undertake.

Attwood Academies

(A company limited by guarantee)

Directors' report (continued) for the year ended 31 August 2020

Organisational structure

The governance of the Academy Trust is defined in the Memorandum and Articles of Association together with the funding agreement with the Department of Education.

The Trust Board meets at least once per term and is responsible for the strategic direction of the Academy Trust and agreement of the performance objectives for the Principal of Bexhill Academy.

The school has educational and finance meetings held at least termly. They approve major expenditure requests, set the budget, organise staffing structures and review progress towards educational objectives, on behalf of the board.

The Principal, where appropriate, has delegated financial management responsibilities to the Business Director, and responsibilities are further delegated to specific budget holders who are each responsible for managing their own departments within the constraints of their allocated budgets. A system of financial controls is in place to manage this process.

The Principal of Bexhill Academy manages the academy within the Trust on a daily basis supported by a Senior Leadership Team (SLT). The Principal and their SLT meet frequently to discuss emerging matters and develop strategies for future development. Each member of the SLT has specific responsibilities to assist the Principal to manage certain aspects of the academy with the Trust.

The members meet at least once each year to hold an Annual General Meeting.

Arrangements for setting pay and remuneration of key management personnel

Key management personnel are persons having authority and responsibility for planning, directing and controlling the activities of a reporting entity, directly or indirectly, including any director. The key, paid management personnel within the organisation are members of the Senior Leadership Team. Annual remuneration reviews are carried out for SLT members by their senior line managers (normally the Principal). Recommendations are taken for approval to the remuneration review committee, made up of two Trust Board Members. Any annual remuneration awards are linked directly to performance targets.

for the year ended 31 August 2020

Related Parties and other Connected Charities and Organisations

Owing to the nature of the Academy Trust's operations and the composition of the Trust Board being drawn from a cross section of the local and wider community, transactions may take place with organisations in which a director has an interest. In the event of any transactions involving such connected organisations, interests are declared and transactions conducted at arm's length and in accordance with the Academy Trust's financial regulations and normal procurement procedures.

Related party transactions during 2019/20

During the year, the Academy Trust received reimbursement of £10,577 (2019:nil) from the Attwood Education Foundation, a member of the Academy Trust and a charitable organisation in which T Attwood, S Attwood and S Gough are directors. These reimbursements were for various costs incurred during the year such as coach hire. At 31 August 2020 there were no outstanding amounts (2019: nil)

Objectives and Activities

The Trust's Objects and aims

The Articles of Association of the Academy Trust Company specifically states the Academy Trust's object is: 'To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum or educational institutions which are principally concerned with providing full time or part time education for children of compulsory school age who, by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless alternative provision is made for them.

East Sussex division

The principal object and aim of the Trust is the operation of Bexhill Academy to provide free education and care for pupils of different abilities between the ages of 11 and 16.

Our vision of Bexhill Academy is to be the school of first choice within the local community. We aim to be a centre of excellence with the highest standards of achievement in all subjects and operate a care and guidance system which promotes personal growth. To achieve this vision, we know that we will need to retain, recruit and train the best staff available. We try to create opportunities for everyone to make a contribution to the development and improvement of the school.

Our curriculum is regularly reviewed, and we aim to be innovative and supportive of our learners, particularly those with additional needs. We are proud of our strong community partnerships and we operate in an inclusive manner for all students within our community. We are committed to closing the progress gaps that historically exist between pupil premium and non-pupil premium students.

Student participation and leadership are vital to the health of the school and we promote these opportunities through our house system and our student council. The staff offer an extensive extracurricular programme to provide educational and sporting opportunities to all students.

Our list of guiding principles (to be focused, aspirational, independent and resilient) sets out what we aim to achieve for our students, staff and local community. These principles are supported by a range of policies that govern how we put them into practice every day.

Key objectives targeted were:

- 1) To make significant improvements in student learning progress, These improvements are measurable independently through KS4 GCSE results.
- 2) To focus on improving the learning progress of pupil premium students who represent over one third of the student body, and close the gap of learning attainment when compared with non-Pupil premium Students.

Attwood Academies
(A company limited by guarantee)

Directors' report (continued)
for the year ended 31 August 2020

- 3) To continue to grow the confidence of the local community and improve on recruitment of year 7 pupils from local feeder primaries and the wider catchment area.

Success measures are:

- 1) Grade 4 and Grade 5 outcomes for the English/ Maths crossover has increased by over 7%.
- 2) For High ability PP students -0.85 progress. With a -1.43 for boys and +0.29 for girls. For PP Middle ability, -0.11 for girls and -1.88 for boys and finally for Lower ability PP progress was +0.23 for boys and +0.02 for girls.

Level of attainment	2018/19 attainment gap	2019/20 attainment gap
4+	12.74%	15.85%
5+	10.72%	15.64%

- 3) September 2020 applications exceeded the 330 PAN, with 346 applications. (The forecast demand for places had been 320 students based on historical recruitment. Demand from the main local feeder Primaries remained at historical highs, combined with cross border demand from the Hastings District.

Public benefit

The directors believe that by working towards the objects and aims of the schools as detailed above, they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission and defined by FRS102 as 'an entity whose primary objective is to provide goods or services for the general public, community or social benefit and where any equity is provided with a view to supporting the entity's primary objectives rather than with a view to providing a financial return to equity providers, shareholders or members.

Bexhill Academy accepts students from the locality of Bexhill on Sea in line with the identical admissions policy adhered to by East Sussex and welcomes students of all abilities. The Academy and encompasses a high needs specialist provision for students diagnosed with autism.

Key Financial Performance Indicators

Bexhill Academy

The Trust measures the performance of the Bexhill Academy based on:

- 1) meeting educational targets (detailed in objectives, strategies and activities)
- 2) addressing operational financial KPI's while adhering to these general principals:
 - Maintaining a 3 year balanced budget, utilising annual income and, as applicable, brought forward reserves, to fund annual required expenditure.
 - Ensuring best value is obtained in the procurement of resources, to ensure that these are used to the maximum possible benefit of student outcomes.
 - Maintaining efficient staffing levels to meet both teaching and operational support staff requirements.
- 3) Consideration and comparison of key financial indicators compared with the prior year and target while maintaining and, where educational outcomes are not adversely affected, improved efficiencies. National averages are used to benchmark levels of efficiency.

Pupil numbers – Parental decisions are made for September enrolment in the prior year therefore the year 7 roll for 2020/21 is a KPI for 2019/20.

Year	20/21	19/20	18/19
7	335	327	283
8	319	285	304
9	281	305	218
10	305	226	215
11	224	218	223
Total	1464	1361	1243

Pupil Teacher ratio – the number of students per teaching member employed (includes teaching SLT members) indicates the efficiency of teacher deployment.

Pupil teacher ratio	2019/20	2018/19
Bexhill Academy	19.4	17.8

Total expenditure per pupil excluding depreciation

Expenditure per pupil	2019/20	2018/19
Bexhill Academy	£5,742	£5,704

Attwood Academies
(A company limited by guarantee)

Directors' report (continued)
for the year ended 31 August 2020

Going concern

The Directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. While the impact of the COVID-19 pandemic has been assessed by the Directors as far as reasonably possible, due to its unprecedented impact on the wider economy, it is difficult to evaluate with any certainty the potential outcomes on the Academy Trust's activities.

However, taking into consideration the UK Government's response and its continued support of schools, as well as the Academy Trust's own reserves and planning, the Directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. The Directors confirm that there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Financial review

Bexhill Academy

Revenue received in 2019/20 exceeded the original forecast by £184K. Expenditure was £54K more than budgeted, as additional income allowed for additional staffing resources (£67K more staffing expenditure than budgeted).

The main source of revenue funding for the Academy Trust is the General Annual Grant (GAG) and other grants that it receives from the ESFA. For the period ended 31 August 2020 the Academy Trust received £7,987K in direct revenue funding from the ESFA.

Excluding movements related to fixed assets and the transfer out of Ian Mikardo highschool, the Trust returned a surplus of £764k before movements related to pensions.

Reserves policy

The directors are aware of the requirement to balance current and future needs. The directors always aim to set a balanced budget with annual income balancing annual expenditure, but due to the lagged funding model, the policy to use brought forward reserves to balance future annual budgets (on a temporary and sustainable basis) is adopted. The level of unrestricted reserves at 31st August 2020 was £674k and the amount of cash reserves held by the Academy is £1.6m.

The Trust is recognising a significant pension fund deficit of £2,189,00. This liability is paid over a number of years and does not crystallize as a single sum owing. Future pension fund valuations may see this liability vary based on fund performance.

Investments policy

The Trust Board invests funds in such a way as to maximise the Academy Trust's income but with minimal risk. Cash flow demands during 2019/20 required adequate funds available to be kept liquid, and short term interest earning deposit accounts were utilised to provide a level of investment return. The investment policy is reviewed by the Trust Board Finance Committee.

Fundraising

The Academy Trust does not use any external fundraisers. All fundraising activities were monitored by the Trustees during the year.

Attwood Academies
(A company limited by guarantee)

Directors' report (continued)
for the year ended 31 August 2020

Principal risks and uncertainties

The directors maintain a risk register identifying the major risks to which the Academy Trust is exposed, and identifying actions and procedures to mitigate those risks. A formal review of the risk management process is undertaken on an annual basis and the exposure to these risks is monitored on behalf of the Trust board by the Finance Committee. Those facing the Academy Trust at an operational level are addressed by its systems and controls which are tested and reported on through annual independent internal and external audit checks.

The directors report that the Academy Trust's financial and internal controls conform to guidelines issued by the ESFA.

In academy schools, the level of financial risk is highest with regard to either a) long term fixed costs or b) expenditure increases set by third parties as matching in revenue cannot be relied upon.

Revenue and expenditure cash flows can be reliably forecast, monitored and reported on an annual basis. Staff costs make up the majority of expenditure and reporting systems on future staffing commitments are considered robust. Contingencies are in place to cover costs related to sickness and maternity absence.

The Trust Board and principal assess the risks and uncertainties facing the Academy Trust as follows:

Operating to a balanced budget

Pressures on income and expenditure require the Trust Board to carefully monitor budgets and oversee strategies required to see any savings required, while ensuring that the provision of required learning resources remains sufficient to see student outcomes maximized. A five year budget is forecast for Bexhill Academy using current information from principal feeder primary schools and historical recruitment percentages.

Cash balances

The successful application for in year funding (and not lagged pupil number funding) has resulted in an increase in the cash balance held at Bexhill Academy, and cash flow is not considered a risk factor.

Increases in Expenditure

Inflationary pressures are expected to continue in all expenditure areas, and in particular around staffing. The national Funding Formula is not expected to cover all these increases. The Trust Board monitors the strategies being followed to provide economies in Academy operations which do not affect student outcomes detrimentally.

Staff retention and recruitment

Current staff retention is good. There are, however, recruitment challenges in certain teaching departments, with a national shortage of teachers providing additional recruitment challenge above that of attracting staff to work in the area. Newly qualified teachers are typically more attracted to areas with greater social opportunities. The risk is mitigated by the positive working environment that is offered to staff through a variety of strategies which include a dedicated staff welfare program at Bexhill Academy.

Attwood Academies
(A company limited by guarantee)

Directors' report (continued)
for the year ended 31 August 2020

Safeguarding and child protection

The directors continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health & safety and discipline.

Plans for future periods

The Academy Trust will continue striving to improve the levels of performance of its students at all levels, and will actively promote the Academy Trust to maximise the recruitment of students.

The Trust Board will continue to enhance and expand facilities throughout 2020/21 in pursuance of the Academy Trust's commitment to provide excellent learning facilities.

Disclosure of information to auditors

Insofar as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Auditors

The auditors, Kreston Reeves LLP are willing to continue in office and a resolution to re appoint them was passed at a members meeting on the 11 December, 2020.

The Directors' report, incorporating a strategic report, was approved by order of the Board of Directors, as the company directors, on 11 December 2020 and signed on its behalf by:

T R Attwood
Chair of Board of Directors

Attwood Academies

(A company limited by guarantee)

Governance Statement

Scope of responsibility

As directors, we acknowledge we have overall responsibility for ensuring that Attwood Academies has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Trust Board has delegated the day to day responsibility to the Accounting Officer, for ensuring financial controls conform to the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Attwood Academies and the Secretary of State for Education. They are also responsible for reporting to the Trust Board any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Directors' report and in the Statement of directors' responsibilities. The Trust Board has formally met 5 times during the year. Attendance during the year at meetings of the Trust Board was as follows:

Trustee	Meetings attended	Out of a possible
T R Attwood	5 (2 in person, 3 zoom)	5
S M Attwood	5 (2 in person, 3 zoom)	5
Stephen Gough	5 (2 in person, 3 zoom)	5
Frank Green	4 (1 in person, 3 zoom)	5
Karen Marr	1 (by zoom)	2
Ralph Cohen	2 (by zoom)	2
Susan Foley	2 (2 in person, 3 zoom)	5

The Finance Committee is a sub committee of the main Trust Board. The purpose of the Finance Committee is to set, monitor and review the use of resources of the Academy, ensuring that income due from grants is received, income generation is promoted and expenditure achieves best value in terms of student outcomes. The Finance Committee also fulfils the responsibilities of an Audit Committee. During the year the principal focus has been to monitor the financial performance of the Trust against the revenue and capital budget forecasts.

Attendance at meetings in the year was as follows:

Trustee	Meetings attended	Out of a possible
T R Attwood	3 (2 in person, 1 zoom)	3
Stephen Gough	3 (2 in person, 1 zoom)	3
Karen Marr	1 (by zoom)	1

Review of value for money

The accounting officer has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources and understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Trust Board where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- Successfully transferring out Ian Mikardo high School
- Keeping teacher contact time at Bexhill Academy at an efficient level.
- Delivering a budget surplus in year, in order to re-invest in future capital programmes.

Attwood Academies

(A company limited by guarantee)

Governance Statement (continued)

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Attwood Academies for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Trust Board has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Trust Board is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the year 1 September 2019 to 31 August 2020 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Trust Board.

The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Trust Board;
- regular reviews by the Finance Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The Trust Board has considered the need for a specific internal audit function and has decided to appoint Kreston Reeves as internal auditor.

The internal auditor's role includes giving advice on financial matters and performing a range of checks on the Academy Trust's financial systems. In particular the checks carried out in the current period included:

- testing of payroll systems
- testing of purchases systems
- testing of income systems
- testing of bank reconciliations
- testing of control account reconciliations
- review of governance

On an annual basis, the auditor reports to the Trust Board through the audit committee on the operation of the systems of control and on the discharge of the Trust Board's financial responsibilities.

The internal auditor has delivered their schedule of work as planned. No issues arose from the reports issued during the financial period to 31 August 2020.

Attwood Academies
(A company limited by guarantee)

Governance Statement (continued)

Review of effectiveness

The accounting officer has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the internal auditor;
- the work of the external auditor;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the members of the Board of Directors and signed on their behalf by:

T R Attwood
Director
Date: 11 December 2020

C Davies
Accounting Officer

Attwood Academies

(A company limited by guarantee)

Statement on Regularity, Propriety and Compliance

As Accounting Officer of Attwood Academies I have considered my responsibility to notify the academy trust board of trustees and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non compliance with terms and conditions of all funding received by the academy trust, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2019.

I confirm that I and the academy trust board of trustees are able to identify any material irregular or improper use of funds by the academy trust, or material non compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2020.

I confirm that no instances of material irregularity, impropriety or funding non compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of trustees and ESFA.

C Davies

Accounting Officer

Attwood Academies
(A company limited by guarantee)

Statement of Directors' responsibilities
for the year ended 31 August 2020

The Directors (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Directors' report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Directors are required to:

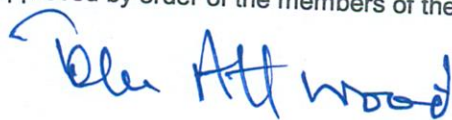

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Directors on 11 December 2020 and signed on its behalf by:

T R Attwood
Chair of the Board of Directors

Attwood Academies
(A company limited by guarantee)

Independent auditors' Report on the financial statements to the Members of Attwood Academies

Opinion

We have audited the financial statements of Attwood Academies (the 'academy trust') for the year ended 31 August 2020 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy Trust's affairs as at 31 August 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2019 to 2020 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Attwood Academies
(A company limited by guarantee)

Independent auditors' Report on the financial statements to the Members of Attwood Academies
(continued)

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditors' report thereon. Other information includes the Reference and administrative details, the Directors' report including the Strategic report, and the Governance statement. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report including the Strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Directors' report and the Strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report including the Strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Attwood Academies
(A company limited by guarantee)

Independent auditors' Report on the financial statements to the Members of Attwood Academies
(continued)

Responsibilities of trustees

As explained more fully in the Directors' responsibilities statement, the Directors (who are also the directors of the Academy Trust for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Academy Trust or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the Academy Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Academy Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' report. However, future events or conditions may cause the Academy Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the Academy Trust's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy Trust's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy Trust and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

Attwood Academies

(A company limited by guarantee)

Independent Reporting Accountant's Assurance Report on Regularity to Attwood Academies and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 4 September 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2019 to 2020, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Attwood Academies during the year 1 September 2019 to 31 August 2020 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Attwood Academies and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Attwood Academies and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Attwood Academies and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Attwood Academies's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Attwood Academies's funding agreement with the Secretary of State for Education dated 1 December 2014 and the Academies Financial Handbook, extant from 1 September 2019, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2019 to 2020. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Attwood Academies
(A company limited by guarantee)

Independent Reporting Accountant's Assurance Report on Regularity to Attwood Academies and the Education & Skills Funding Agency (continued)

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2019 to 2020 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

Work undertaken

The work undertaken to draw to our conclusion includes:

- Reviewed the evidence used to support the Accounting Officer's sign off of the regularity statement
- Reviewed expenditure against specific terms of grant funding within the funding agreement
- Reviewed that grants have been applied for the purposes intended
- Confirmed that internal control procedures exist relating to expenditure incurred of cash and credit cards
- Confirmed items claimed on cash and credit cards are not for personal benefit
- Reviewed expenditure and considered whether any supplies are from related parties
- Reviewed minutes of Board minutes for declaration of interests
- Considered whether other income activities are permitted within the Academy Trust's charitable objects
- Considered if borrowing agreements, including leases, have been made in accordance with the Academies Financial Handbook
- Confirmed that procurement and tendering procedures exist relating to expenditure and have been complied with.

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2019 to 31 August 2020 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Attwood Academies
(A company limited by guarantee)

Notes to the financial statements
for the year ended 31 August 2020

1. Accounting policies

Attwood Academies is a charitable company limited by guarantee and an exempt charity incorporated in England and Wales. The registered office is Manor House, Slip Mill Road, Hawkhurst, Cranbrook, Kent, TN18 5AE. The principal activity of the Academy Trust is to provide a secondary education for pupils that satisfies the requirements of the Education Act 2002.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Attwood Academies meets the definition of a public benefit entity under FRS 102.

The academy trust's functional and presentational currency is Pounds Sterling.

The academy trust's financial statements are presented to the nearest pound.

1.2 Going concern

The Directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. While the impact of the COVID-19 pandemic has been assessed by the Directors as far as reasonably possible, due to its unprecedented impact on the wider economy, it is difficult to evaluate with any certainty the potential outcomes on the Academy Trust's activities.

However, taking into consideration the UK Government's response and its continued support of schools, as well as the Academy Trust's own reserves and planning, the Directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. The Directors confirm that there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Directors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

Notes to the financial statements
for the year ended 31 August 2020

1. Accounting policies (continued)

1.4 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

- **Grants**

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities in the year for which it is receivable and any abatement in respect of the year is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the Balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

- **Donations**

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the year it is receivable and to the extent the Academy Trust has provided the goods or services.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

Notes to the financial statements
for the year ended 31 August 2020

1. Accounting policies (continued)

1.6 Tangible fixed assets

Land, buildings and playing fields occupied under 125 year leases from a local authority are recognised as a fixed asset in the academy trust initially at fair value.

Assets costing £200 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of financial activities and carried forward in the Balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land and assets under construction, at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life, as follows:

Depreciation is provided on the following bases:

Long-term leasehold property	- Over 50 years straight line
Fixtures and fittings	- Over 4 - 10 years straight line
Motor vehicles	- Over 2 - 4 years straight line
Computer equipment	- Over 3 - 6 years straight line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities.

1.7 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy Trust; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.9 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Notes to the financial statements
for the year ended 31 August 2020

1. Accounting policies (continued)

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.12 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.13 Provisions

Provisions are recognised when the Academy Trust has an obligation at the reporting date as a result of a past event which it is probable will result in the transfer of economic benefits and the obligation can be estimated reliably.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.14 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments. Amounts due to the Academy Trust's wholly owned subsidiary are held at face value less any impairment. Cash at bank is classified as a basic financial instrument and is measured at face value.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the Academy Trust's wholly owned subsidiary are held at face value less any impairment.

Notes to the financial statements
for the year ended 31 August 2020

1. Accounting policies (continued)

1.15 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

Notes to the financial statements
for the year ended 31 August 2020

2. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Multi-employer defined benefit pension scheme

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2020. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Tangible fixed assets

The Academy Trust has recognised tangible fixed assets with a carrying value of £13,600,221 at the reporting date (see note 14). These assets are stated at their cost less provision for depreciation and impairment. The Academy Trust's accounting policy sets out the approach to calculating depreciation for immaterial assets acquired. For material assets such as land and buildings the Academy Trust determines at acquisition reliable estimates for the useful life of the asset, its residual value and decommissioning costs. These estimates are based upon such factors as the expected use of the acquired asset and market conditions. At subsequent reporting dates the governors consider whether there are any factors such as technological advancements or changes in market conditions that indicate a need to reconsider the estimates used.

Where there are indicators that the carrying value of tangible assets may be impaired the Academy Trust undertakes tests to determine the recoverable amount of assets. These tests require estimates of the fair value of assets less cost to sell and of their value in use. Wherever possible the estimate of the fair value of assets is based upon observable market prices less incremental cost for disposing of the asset. The value in use calculation is based upon a discounted cash flow model, based upon the Academy Trust's forecasts for the foreseeable future which do not include any restructuring activities that the Academy Trust is not yet committed to or significant future investments that will enhance the asset's performance. The recoverable amount is most sensitive to the discount rate used for the discounted cash flow model as well expected future cash flows and the growth rate used for extrapolation purposes.

Critical areas of judgement:

Lease commitments

The Academy Trust has entered into a range of lease commitments in respect of property, plant and equipment. The classification of these leases as either financial or operating leases requires the directors to consider whether the terms and conditions of each lease are such that the Academy Trust has acquired the risks and rewards associated with the ownership of the underlying assets.

**Notes to the financial statements
for the year ended 31 August 2020**

2. Critical accounting estimates and areas of judgement (continued)

Multi-employer defined benefit pension scheme

Certain employees participate in the Teachers Pension Scheme, a multi-employer defined benefit pension scheme, with other Academy Trusts in the region. In the judgement of the directors, the Academy Trust does not have sufficient information on the plan assets and liabilities to be able to reliably account for its share of the defined benefit obligation and plan assets. Therefore the scheme is accounted for as a defined contribution scheme, see note 24 for further details.

Notes to the financial statements
for the year ended 31 August 2020

9. Net (expenditure)/income

Net (expenditure)/income for the year includes:

	2020	2019
	£	£
Depreciation of tangible fixed assets	403,766	663,973
Fees paid to auditors for:		
- audit	11,560	14,125
- other services	4,815	6,400
	<u>403,766</u>	<u>663,973</u>

10. Staff

a. Staff costs

Staff costs during the year were as follows:

	2020	2019
	£	£
Wages and salaries	4,692,850	5,889,565
Social security costs	450,662	553,752
Pension costs	1,165,417	980,345
	<u>6,308,929</u>	<u>7,423,662</u>
Agency staff costs	139,278	152,268
Severance payments	49,999	-
	<u>6,498,206</u>	<u>7,575,930</u>

b. Non-statutory/non-contractual staff severance payments

Included in direct costs for the year ended 31 August 2020 there are non-statutory / non-contractual severance payments totalling £49,999. Individually, the payments were £49,999. For the year ended 31 August 2019 there were no such payments to staff.

Attwood Academies
(A company limited by guarantee)

Notes to the financial statements
for the year ended 31 August 2020

10. Staff (continued)

c. Staff numbers

The average number of persons employed by the Academy Trust during the year was as follows:

	2020 No.	2019 No.
Teachers	64	69
Administration and support	80	83
Management	8	15
	152	167

d. Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2020 No.	2019 No.
In the band £60,001 - £70,000	1	2
In the band £70,001 - £80,000	1	3
In the band £80,001 - £90,000	1	3
In the band £90,001 - £100,000	1	-
In the band £110,001 - £120,000	-	1
In the band £120,001 - £130,000	1	-
In the band £140,001 - £150,000	-	1

Three (2019: four) of the above employees participated in the Teachers' Pension Scheme. During the year ended 31 August 2020, pension contributions for these employees amounted to £40,270 (2019: £50,119). One (2019: two) of the above employees participated in the Local Government Pension Scheme, pension contributions amounted to £17,716 (2019: £42,539).

e. Key management personnel

The key management personnel of the Academy Trust comprise the senior leadership team. The total salaries received by key management personnel for their services to the Academy Trust was £768,091 (2019 £934,399). Employer pension contributions were a total of £119,208 (2019: £93,305) and employer national insurance contributions were a total of £86,639 (2019: £114,984).

11. Central services

No central services were provided by the Academy Trust to its academies during the year and no central charges arose.

Notes to the financial statements
for the year ended 31 August 2020

12. Directors' remuneration and expenses

One or more Directors has been paid remuneration or has received other benefits from an employment with the Academy Trust. The principal and other staff Directors only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Directors' remuneration and other benefits was as follows:

		2020	2019
		£	£
C H Sale (resigned 15 March 2019)	Remuneration	Nil	40,000 - 45,000
	Pension contributions paid	Nil	Nil
J P Sale (resigned 15 March 2019)	Remuneration	Nil	55,000 - 60,000
	Pension contributions paid	Nil	10,000 - 15,000

During the year ended 31 August 2020, no Director expenses have been incurred (2019 - £NIL).

13. Directors' and Officers' insurance

The Academy Trust has opted into the Department of Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Directors and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Directors and officers indemnity element from the overall cost of the RPA scheme membership.

The specific purposes for which the funds are to be applied are as follows:

GAG represents funds to be used to cover the normal running costs of the academy.

Other DfE/ESFA grants represents grants provided for specific purposes, such as pupil premium which is used to support disadvantaged pupils and assist them in decreasing the attainment gap between them and their peers.

The restricted fixed asset fund represents tangible fixed assets which were donated from other Academy Trusts on conversion to an academy including depreciation to the balance sheet date.

DfE/ESFA capital grants fund is to provide the academy with its own capital money to address

Contracted for but not provided in these financial statements	<u>86,760</u>	<u>717,708</u>

24. Pension commitments

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by East Sussex County Council. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £112,250 were payable to the schemes at 31 August 2020 (2019 - £97,440) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Notes to the financial statements
for the year ended 31 August 2020

24. Pension commitments (continued)

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2023.

The employer's pension costs paid to TPS in the year amounted to £605,165 (2019 - £433,726).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £331,000 (2019 - £426,000), of which employer's contributions totalled £253,000 (2019 - £325,000) and employees' contributions totalled £ 78,000 (2019 - £101,000). The agreed contribution rates for future years are 22.9% per cent for employers and 5.5% to 12.5% per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy Trust, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy Trust at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

for the year ended 31 August 2020**

24. Pension commitments (continued)

Principal actuarial assumptions

	2020	2019
	%	%
Rate of increase in salaries	2.30	2.70
Rate of increase for pensions in payment / inflation	2.30	2.30
Discount rate for scheme liabilities	1.70	1.80

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2020	2019
	Years	Years
Retiring today		
Females	23.9	23.5
Males	21.6	21.2
Retiring in 20 years		
Females	25.3	24.9
Males	22.5	22.1

Sensitivity analysis

	2020	2019
	£000	£000
Discount rate -0.5%	923,000	843,000
Salary rate +0.5%	111,000	156,000
Pension rate +0.5%	794,000	667,000

Share of scheme assets

The Academy Trust's share of the assets in the scheme was:

	2020	2019
	£	£
Equities	4,442,000	4,241,000
Bonds	1,021,000	1,355,000
Property	480,000	580,000
Cash and other liquid assets	60,000	174,000
Total market value of assets	6,003,000	6,350,000

The actual return on scheme assets was £252,000 (2019 - £390,000).

Notes to the financial statements
for the year ended 31 August 2020

25. Operating lease commitments

At 31 August 2020 the Academy Trust had commitments to make future minimum lease payments under non-cancellable operating leases as follows:

	2020 £	2019 £
Within 1 year	13,604	11,767
Between 1 and 5 years	44,214	6,864
	57,818	18,631

26. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he/she ceases to be a member.

27. Related party transactions

Owing to the nature of the Academy Trust and the composition of the Board of Directors being drawn from local public and private sector organisations, transactions may take place with organisations in which the directors have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy Trust's financial regulations and normal procurement procedures relating to connected and related party transactions.

During the year, the Attwood Academies Trust received reimbursements of £10,577 (2019: £NIL) from the Attwood Education Foundation, a member of the Academy Trust and a charitable organisation in which T Attwood, S Attwood and S Gough, directors of the Academy Trust, are directors. These reimbursements were in relation to various costs incurred in the year such as coach hire. At 31 August 2020, there were no outstanding amounts (2019: £NIL).

During the year, Attwood Academies Trust invoiced £NIL (2019: £10,000) to the Attwood Education Foundation. At 31 August 2020, the amounts outstanding were £NIL (2019: £NIL).

28. Controlling party

The Academy Trust is run by the management team on a day to day basis. Strategic decisions are made by the Board of Directors. There is no ultimate controlling party.
