**Declaration of Interests**

Name of Member/Trustee/Member of Staff:

The Academies Trust Handbook 2021 requirements in relation to the register and declaration of interests are as follows

**Register of interests**

5.45 The academy trust's register of interests must capture relevant business and pecuniary interests of members, trustees, local governors and senior employees, including:

- directorships, partnerships and employments with businesses
- trusteehips and governorships at other educational institutions and charities
- for each interest: the name and nature of the business, the nature of the interest and the date the interest began.

5.46 The register must identify relevant material interests from close family relationships between the academy trust's members, trustees or local governors. It must also identify relevant material interests arising from close family relationships between those individuals and employees. 'Close family relationships' is defined in section 5.48 (third bullet).

5.47 Trusts should consider whether other interests should be registered, and if in doubt should do so. Boards of trustees must keep their register of interests up-to-date at all times.

5.48 Trusts must publish on their websites relevant business and pecuniary interests of members, trustees, local governors and accounting officers. Trusts have discretion over the publication of interests of other individuals named on the register.
